4. Planning Applications

4.1. PT18/4099/F The Close, Dunsdown Lane, West Littleton

There was no objection to this application, although the neighbours' concerns about lack of light and being overlooked need to be considered. GP to respond to South Glos accordingly. **ACTION: GP**

4.2. PK18/4310/F Lower Lapdown Farm, Lapdown Lane, Tormarton

There were concerns about the additional movement of vehicles both through the village and along the Cotswold Way that this application might attract, as the Cotswold Way is used by many walkers and horse riders. Extra heavy traffic has been noted in the village since the applications PK16/6317/PNFU and PK16/6651/F had been approved. There was also concern about any additional traffic and noise that residents would have to suffer in that area. GP to respond to South Glos Council accordingly. **ACTION: GP**

5. Date of Next Meeting

This was confirmed as Thursday 18th October 2018
