Whilst Tormarton Parish Council will take all reasonable care to ensure the health and safety of its employees, it is recognised that health and safety at work is the responsibility of each and every individual associated with the Council.

An effective health and safety Programme requires continuous communication between employees at all levels and the Parish Council. It is therefore, every employee’s responsibility to report immediately any situation that could jeopardise their wellbeing or that of any other person.

ALL injuries, however small, sustained by a Tormarton Parish Council employee at work or any person on Tormarton Parish Council controlled property must be reported to the Parish Clerk and Chairman. Accident records are crucial to the effective monitoring and revision of the policy and must therefore be accurate and comprehensive.

Tormarton Parish Council’s health and safety policy will be continually monitored and updated, particularly when changes in the scale and nature of the Parish Council’s operations occur.

Specific arrangements for the implementation of the policy and the personnel responsible should be constantly kept under evaluation and the new Chair of Tormarton Parish Council should sign this statement annually usually on the occasion of the Council’s annual meeting, together with the Parish Clerk.
