

# **Tormarton Parish Council Safeguarding Children and Young People and Vulnerable Adults Policy**

**Tormarton Parish Council** provides the following activities:

- Village Parties to celebrate National Events
- General day to day running of the Parish including Parish Meetings

Whilst these do not include direct services or support for children, young people and vulnerable adults **Tormarton Parish Council** recognises that safeguarding those members of society is everyone's business and that all may become vulnerable at many stages in their lives.

**Tormarton Parish Council** is committed therefore to ensure that the Management Committee, volunteers and those who participate in activities run by the organisation have an understanding of Safeguarding Children, Young People and Vulnerable Adults and what forms abuse may take and that they know where to raise concerns if abuse is suspected or reported.

## **Safeguarding and promoting the welfare of children means:**

- Protecting children from maltreatment
- Preventing the impairment of children's health or development
- Ensuring children are growing up circumstances consistent with the provision of safe and effective care
- Taking action to enable all children to have the best life chances

*(Working Together to Safeguard Children 2013)*

## **Abuse can take various forms:**

- Physical
- Emotional
- Neglect
- Sexual

All **Tormarton Parish Council** activities with children are run with the parents or carers of the children present. Volunteers and Management Committee members are not permitted at any time to be alone with children.

All **Tormarton Parish Council** volunteers and Management Committee members and those who participate in activities run by the organisation are inducted into this policy and procedure and have an understanding of what forms abuse can take and how to report any concerns.

**Tormarton Parish Council** will ensure all who are arranging events on their behalf are made aware of this policy.

## **Definition of Vulnerable Adults**

Someone 'who is or may be in need of community care services by reason of mental or other disability, age or illness; and who is or may be unable to take care of him or herself or protect themselves from harm'

No Secrets: Department of Health, March 2000

This means that not all adults are vulnerable but some may be vulnerable at times and others will be vulnerable all the time. It is important to talk to the appropriate people (in South Gloucestershire this is the Adult Customer Service Desk in the Children, Adult and Health Department of the Council).

## **Definition of Abuse**

“Abuse is a violation of an individual’s human and civil rights by any other person or persons”

No Secrets: Department of Health, March 2000

### **Abuse includes:**

- physical abuse, hitting, slapping, punching, burning
- sexual abuse, rape, indecent assault, inappropriate touching
- emotional abuse, belittling, name calling,
- financial or material abuse, stealing, selling assets
- neglect and acts of omission, leaving in soiled clothes, failing to feed properly
- discriminatory abuse (including racist, sexist, based on a person’s disability and
- other forms of harassment)
- institutional

Abuse may be carried out deliberately or unknowingly. Abuse may be a single act or repeated acts.

People may make the choice to remain in abusive situations and if they have the mental capacity to make that decision that may be appropriate, however the decision about mental capacity is a complex one and it is important that the correct assessment of capacity is undertaken within the safeguarding process.

proved or disproved for the protection of the child(ren), vulnerable adult(s) and staff. Any allegation related to staff and/or volunteers working with Children and Young People must be reported to the South Gloucestershire Local Authority Designated Officer (LADO) on 01454 868924.

It is important to remember that abuse is defined by the impact on the individual not the intention of the abuser, in other words if someone does not have their needs cared for this can be just as damaging whether it is done deliberately or because a carer can no longer manage. Obviously the way of then supporting the situation would be likely to be different.

People who behave abusively come from all backgrounds and walks of life. They may be doctors, nurses, social workers, advocates, staff members, volunteers or others in a position of trust. They may also be relatives, friends, neighbours or people who use the same services as the person experiencing abuse.

### **Review of This Policy**

**Tormarton Parish Council** will review this policy annually.
